Forsyth County Sheriff's Office Index Crime

Index Crime includes the total number of violent crimes (murder, rape, robbery and aggravated assault) and property crimes (burglary, larceny, and motor vehicle theft). The Forsyth County Sheriff's Office reports crime data based on categories and definitions conforming to National Incident-Based Reporting System (NIBRS) standards in which crimes per incidents are reported. The agency converted their reporting systems in July of 2020 to follow this recommended system by the FBI. The following charts and tables report all crime using the NIBRS method. The total number of victims is counted in murder, rape, and aggravated assault. The total number of incident charges is counted in robbery, burglary, and larceny.

Type of Crime	2020	2021	2022
Murder	4	6	7
Rape	23	17	15
Robbery	20	36	22
Aggravated Assault	214	168	183
Burglary	389	318	345
Larceny	1,105	1,042	1,129
Motor Vehicle Theft	133	110	126
TOTAL:	1,888	1,697	1,827

Note: The index crime data is provided yearly to the State Bureau of Investigation (SBI). The SBI converts the index crime data back to the Uniform Crime Reporting (UCR) standards in which only the most serious crime is reported according to the UCR hierarchical reporting. Therefore, crime figures listed for Forsyth County Sheriff's Office that are published by the SBI and the Federal Bureau of Investigation (FBI) will vary based on differences in IBR and UCR reporting.
